

DERMEDICS® PEEL SERIES | CATALOG '2016 – INFORMATION FOR DISTRIBUTORS

General product view	<p>DERMEDICS® PRE #1 Pre-Peel Solution: Cleansing Milk is a water soluble cleansing emulsion designed for facial purification and make-up removal.</p> <p>Multi-functional, tailored to suit a variety of skin types and conditions – it assists in calming the discomfort associated with weak, itchy, highly irritated or reddened skin during facial cleansing procedures.</p> <p>Milk has skin-neutral pH of 5.5 which helps maintain the skin's acid mantle prior main beauty treatments.</p> <p>Recommended to be used in combination with toner.</p>
Active agents*	<p>Calming components: Panthenol.</p> <p>Soothing components: Lacticol and Xylitol to restore skin's microflora balance.</p> <p>Humectants (moisturising agents): Allantoin, Cotton Seed Oil.</p> <p>Cleansing components: purifying micro-emulsion</p>
Safety	<p>Free of parabens and formaldehyde (FD) = does not contain DMDM Hydantoin, Diazolidinyl Urea, Imidazolidinyl Urea, Methenamine, Quaternium-15, and Sodium Hydroxymethylglycinate.</p> <p>Free of alcohol, colourants and allergens.</p> <p>Free of soap, SLS and SLES.</p> <p>Ideal for very sensitive skin: contains very gentle but effective cleansing ingredients.</p> <p>Blend of preservatives that is used in this product is accepted by ECOCERT in certified organic cosmetics.</p>
Innovations	<p>Unique formula combines high effectiveness in removing all types of impurities, while providing gentle cleansing properties, softening and moisturising effect of the skin.</p> <p>It has soothing properties, so it can be applied on the most delicate, demanding or sensitive skin condition.</p>
Directions for use	<ul style="list-style-type: none"> Pre-treatments procedures when neutral skin pH of 5.5 is demanded Unisex: for women and men Recommended for skin of all ages for normal to combination skin Effective but gentle cleansing emulsion suitable even for sensitive skin <p>Suggestion: proper cleansing procedure with this product requires application of PRE #2 Pre-Peel Solution: Toner by DERMEDICS®.</p>
Effects	<p>Unique formula with skin-neutral pH of 5.5 perfectly removes all types of impurities from the skin (hydrophobic and hydrophilic) to provide comfort of use and quick effects, such as:</p> <ul style="list-style-type: none"> Effective cleansing and softening that prepare skin for main beauty procedures Visible smoothing that restores healthier and cleaner appearance of skin
Treatments types	<p>Quick and effective cleansing procedures when skin-neutral pH of 5.5 is recommended:</p> <ul style="list-style-type: none"> Exfoliation by chemical peels Microdermabrasion Dermaplaning Facial massages Other as demanded <p>Suggestion: for needle-free mesotherapy with MESO serums by DERMEDICS® it is more suitable to use CALM Physiological Micellar Water in pre-treatment cleansing procedures because of its pH level which is more suitable for needle-free mesotherapy.</p> <p>Exceptions: MESO WHITE / ACNE / VITAL / LIFT / SHR / SLIM – because their pH is already lower than- or equal to pH of cleansing milk.</p>
Application area	<p>Facial cleansing (in combination with toner) targeted on effective purification of skin in procedures where skin-neutral pH of 5.5 is required.</p>
INCI	<p>Water/Aqua, Butylene Glycol, Ethylhexyl Stearate, Hydroxyethyl Acrylate/Sodium Acryloyldimethyl Taurate Copolymer, PPG-5-Ceteth-20, PEG-40 Hydrogenated Castor Oil, Glycerin, Xylitol, Lactitol, Panthenol, Gossypium Herbaceum (Cotton) Seed Oil, Polyglyceryl-4 Laurate, Dilauryl Citrate, Sorbitan Laurate, PEG-7 Trimethylolpropane Coconut Ether, Sorbitan Isostearate, Polysorbate 60, Polyisobutene, Allantoin, Phenoxyethanol*, Sodium Benzoate, Gluconolactone, Sodium Hydroxide, Parfum.</p> <p><i>*Phenoxyethanol presented in INCI is a preservative of ingredient used in formulation. It was not used itself as a preservative in a final product.</i></p>
Cautions	<p>For external use only. Keep out of the reach of children.</p> <p>Contraindications: hypersensitivity to any component of the formulation.</p> <p>This product might be slightly irritated for eyes because of its pH level.</p>
Results*	<p>Quick and easy facial cleansing and make-up removing.</p> <p>Deep moisturising provides stunning freshness of the skin.</p>
Additional benefits	<p>Economic benefits:</p> <ul style="list-style-type: none"> One product for all skin types including sensitive skin Special consistence makes the product highly efficient in usage: 1-2 doses only to cleanse whole face
Unit package	<p>Professional: 500ml bottle with dispenser</p>
